

Good day Ms Bam

Thank you so much for receiving us so graciously on Friday. It was wonderful visiting your school to meet you, Mr Botha and your learners! I know how precious time is on the school timetable so sincerely appreciate the opportunity.

As I mentioned in my speech, the students we have received from Rietondale have always demonstrated wonderful talent with a great frame of reference and exceptional work ethic which serves as testament to the excellent level of schooling they've received. Thank you also for supporting Mr Botha as you did and for allowing us to recognise his contribution by honouring him in this way.

I'm also thrilled to hear that drama has now also been included as a subject at your school and I can only imagine it is greatly thanks to your efforts and nurturing of the arts at your school!

Wishing you all the best for this last, mad, stretch of the year!

Kind Regards

Jackie Rens
